Despite Covid-19, total Core Revenues for 2020 were only down \$38,246 or 8% from our Budget. Parish Givings held up well, down only \$31,422 or 9%. We thank everyone for their ongoing support, and hope your 2021 pledges are in!

Total Core Expenses were also down \$23,696 or 4%, spread evenly over all sectors, leaving our Operating Deficit (Net Core Revenue) up only \$14,550 or 12%;

Offsetting this were the following:

- 1. A bequest of \$5,000;
- 2. An unplanned Federal Wage Subsidy of \$40,620 (corrected filed by the Diocese on our behalf);
- 3. Net Investment Income of \$68,486 (double expectations).

Our net Deficit after these offsets was thus \$(41,381), financed by a draw of \$50,000 from Investments.

Total Capital Expenses were only \$4,483 over budget, despite unplanned Computer Upgrades. The Organ Project had an overrun of \$3,537 or 8%, but it is not yet completed. Smaller projects were only 36% of expected, due to the Covid-19 closures;

During 2020, we received a total of \$126,144 in donations and grants to

offset many Capital Projects (shown on the right of the table). The Grants included a Victoria Foundation grant of \$15,000 in March, and a Federal Grant of \$100,000 in October towards the Lower Hall Ramp to be built in 2021. This \$100,000 is in our Bank, leaving us temporarily in a very good Cash position. We still need to fund-raise in 2021 to offset most of the Organ Project, and even some Sanctuary Lighting.

Our bottom line Net Cash Flow was therefore \$14,130, compared with a planned Deficit of \$(157,717).
